

HELP SAVE THE ROCKAWAYS

ONE OF THESE THINGS IS NOT LIKE THE OTHERS

RIIS PARK IN DANGER?

No FRACKING* Gas Pipeline Under Your Beach!

Don't let the Federal Government give **your beach** to big industry. Plans are being made to lay a pipeline this summer. You only have until **December 9th** to speak up. Scan the QR code and voice your opinion! Or visit Coalition Against the Rockaway Pipeline (CARP) at: www.carpny.org

**ACT
NOW!**

*Fracking is a toxic and harmful method of extracting "natural gas" from deep in the earth. The Rockaway Pipeline is being built to bring fracked (and likely radioactive) gas to NYC homes and businesses.
